Lincoln, Nebraska
November 9, 2007

The Board of Regents of the University of Nebraska met on November 9, 2007, at 1:00 p.m. in the Board Room at Varner Hall, 3835 Holdrege, Lincoln, Nebraska, in publicly convened session, the

November 9, 2007

Whereas, Regent Henning has taken an active and positive role in Board of Regents meetings and events across the state, and, as a member of the Executive Committee, made significant changes to the student health insurance plan, including the addition of a dental plan; and

Whereas, Regent Henning was actively involved in the University's biennial budget request, testifying before the Legislature's Appropriation Committee, meeting personally with Gov. Heineman, co-writing an op-ed piece that appeared in the Lincoln Journal Star, and organizing a student campaign of writing letters and e-mails on the subject; and

Whereas, Regent Henning testified before the Nebraska Judiciary Committee in favor of the advancement of science in our state; and

Whereas, Regent Henning worked closely with the City of Omaha to initiate a recycling pick-up site for student at UNMC, and helped develop the UNMC Center for Healthy Living survey as well as the initial planning of renovations to said facility; and

Whereas, Regent Henning serves on the search committee for a new University of Nebraska general counsel.

Now, therefore, be it resolved, that the University of Nebraska Board of Regents expresses its sincere appreciation for the contributions and dedicated service of Regent Jonathan Henning during his term on the Board and wishes him well in all of his future endeavors.

Regent Wilson recognized Richard Wood, University of Nebraska General Counsel:

The Board of Regents of the University of Nebraska extends to Richard R. Wood our deepest respect and appreciation for nearly 30 years of service as vice president and general counsel of the University of Nebraska.

Dick Wood is a man of unquestioned integrity. He has earned the admiration and respect of his colleagues in Varner Hall and across the university for his knowledge of the law, his keen legal judgment and his passionate and principled representation of his client. He has built and led a legal department that has dealt effectively with diverse and often difficult legal issues, and has served as a trusted advisor to four presidents.

Dick is also highly regarded within his profession; his peers recognize his outstanding legal mind, his unfailing commitment to ethical behavior and his respect for the legal system.

Dick is also loved by his friends. He is quick to laugh, his door is always open, and he is a friend and mentor to many.

The Board of Regents extends to Dick Wood our gratitude for his leadership and his service, and our best wishes for a long and happy retirement.

Gordon Todd, Faculty Senate President, presented the following recognition on behalf of the UNMC College of Dentistry:

The UNMC Faculty Senate at the November 5, 2007 meeting unanimously approved a Resolution to recognize the recent accomplishments of the College of Dentistry. The College just received the highest score of all the dental schools in the country on their National Board Exam. This is no small accomplishment. The Dental Hygiene Class also ranked No. 1 on their National Board Exam among the 256 programs across the country. For 10 years the College has had the highest incoming grade point average for their first year class in the country. On the basis of full-time equivalent faculty, the College of Dentistry ranks 9th in the country in NIH-funded research. The faculty also find time for extensive outreach programs to the needy and under served across the state.

On behalf of the UNMC Faculty Senate, Dr. Todd thanked the Board for the opportunity to recognize the recent academic, research and outreach efforts of the College of Dentistry.
