DESIGNATING ADDITIONAL BENEFICIARIES

You are not required to designate a contingent beneficiary. To assign additional beneficiaries, or to designate a more complex beneficiary designation, please attach, sign, and date a separate piece of paper.

When designating primary and contingent beneficiaries, please specify the percentage and be sure that the percentages for each group of beneficiaries total 100%. Your primary beneficiary cannot be your contingent beneficiary. If you designate a trust as a beneficiary, please include the date the trust was created, and the trustee's name.
